Overview

The following rules, regulations and local policies and procedures have been discussed and approved by the Tri-City Little League (TCLL) Board of Directors. The local rules of TCLL do not supersede the league constitution or Little League Rules and Regulations.

Board of Director Responsibilities

The responsibilities of the members of the Board of Directors are outlined in the TCLL Constitution (available for viewing on the TCLL website: tricitylittleleague.com or upon a written request made to the Board of Directors).

The following responsibilities have been assigned to the designated Board of Director's position for the 2016 Little League season:

President

- Will refrain from voting during Board of Director meetings unless there is a tie. The President's vote shall break the tie.

Vice President

- Assist the Field Coordinators with the practice schedule for the spring baseball season.
- Assist all Board of Directors in their efforts to execute their duties and provide coordination and guidance as necessary or as requested.
- Prepare game schedules for Spring Season

Player Agent(s)

- Prepare tournament team (All Star) selection voting ballots and supervise process.
- Tally the All Star votes with the President.
- On a weekly basis, monitor that all players, within his/her division, have participated for the minimum playing time in accordance with the Little League and Local League Rules and report any issues to the Board of Directors. This can be achieved by monitoring scorebooks (if applicable) and speaking to parents, Managers and Coaches.
- Evaluate safety issues.

Field Coordinator(s)

- Prepare a schedule of practice times and locations for pre-season, during the season and post-season practices for his/her division, with the assistance of the Vice President.
- Re-schedule all games that have been delayed or suspended.

League Information Officer

- Post & maintain game schedules for all divisions and game scores for the Major, Junior & Senior divisions on the leagues website

Membership

- Membership eligibility and determination is outlined in the TCLL Constitution
- Membership fees are included with annual spring season registration fees.
- Only regular members in good standing are allowed to vote as defined by the constitution, which includes participation in the annual Board of Director elections.

Manager/Coach/Player Misconduct

It is the responsibility of each Board Member to investigate and report to the Local League President, any incidents of manager, coach, or player misconduct. This information is to be presented to the Board of Directors by the President, to determine the appropriate course of disciplinary action, if deemed necessary. Any manager, coach or player ejected from a game, for any reason, will, without exception, be automatically suspended for the next game (A Little League rule).

An attempt will be made to have a minimum of one Board Member present or on call each day that any regularly scheduled games are being played at TCLL, during the spring season, to handle any situations that arise requiring the intervention of a Board Member.

Cell Phone Usage During Games

If a manager or coach finds it necessary to answer a telephone call during the game, and they are on the field, they should call time and remove/replace themselves. If they are in the dugout, then they should remove themselves from the dugout to take the call. Upon returning, the umpire should be informed prior to entering the dugout. For safety purposes, there is to be no texting while on the field.

If a coaching staff would like to use an electronic device to keep score or track pitching, the umpire is to be informed at the plate meeting.

Manager Selection Process

1. Every Manager must re-apply for a Manager's position for the Spring season.
2. Manager and Coach applications will be completed online through the Tri-City Little League website.
3. Manager Interviews for the AA/AAA/Major/Junior/Senior divisions will be conducted in December 2021. Manager Interviews for the TBall/Farm/A divisions will be conducted in January 2022.
4. All interviews will be conducted by the Manager Selection Committee. Recommendations for managers will be made to the Board of Directors by this committee.
5. All Manager Applicants will be required to go through this interview process. If the Manager Applicant is out of town during these two dates, prior arrangements must be made through the Board President to schedule another interview time.
6. Deadline for Manager Applications: at the conclusion of the Manager Interviews.
7. Managers will be notified of this deadline via the Tri-City Little League website.
8. If there are not enough Managers to fill all of the available positions in a specific division and a Manager applies after the Deadline Date, an interview will be conducted prior to recommending Manager to the Board of Directors for approval.
9. The Board of Directors will have final approval on all Manager Applicants.
10. If there are more Manager Applicants than there are positions for a specific division, the additional Managers will be ranked in an order to be assigned to any additional teams added as final registrations are processed. The Board of Directors must approve these Managers as deserving of a team.
11. Manager Approval will be based on the following:
 - Returning managers are primarily selected on the following criteria:
 - Their interaction with their players and parents during previous season(s) managed
 - The Manager Evaluations received from the previous season(s) managed
 - Whether or not they demonstrate that the players are their main concern, not their own personal agenda
 - Whether or not they consistently abide with Little League Rules, the Local Ground Rules, and the Sportsmanship Code of Conduct.
 - Their Manager Interview
 - Willingness to abide by the Manager and Coach Commitment Statement (part of the Manager or Coach Application Packet)

- New Managers will be based on the following:
 - Their Manager Interview
 - References
 - Knowledge of the game and past experience as a Manager or Coach
 - Willingness to abide by the Manager and Coach Commitment Statement (part of the Manager or Coach Application Packet)
- 12. The Board of Directors has the right to reject any manager or a position for any reason it deems necessary to protect the integrity of the league and the children playing in the league.
- 13. All Coaches must be approved by the Board of Directors
- 14. All Managers and Coaches must fulfill the Little League International training requirement to have completed at least one Little League approved clinic within the previous three years (e.g. for 2022 spring season, they must have completed a clinic in 2020, 2021, or 2022, since they are typically in January-March each year. Since COVID, there is flexibility on the completion of Manager and Coaches training). Any Manager or Coach that does not meet this requirement during the season or post-season will not be allowed in the dugout or on the field during games.
Exception: First-year managers and coaches in Minor AA and below are exempt from this requirement although they are strongly encouraged to have completed this training.

Replacement Player Process

Should a player in the Minor AA, AAA, or Major division be removed from a team, either due to season ending injury, voluntary removal, or selected to a higher division team, that player shall be replaced. Exception: No replacement player will be found if there are two weeks or less left in the regular season (Major Division) or the Minor Tournament has begun (Minor Division).

The manager of the team losing a player must notify the respective player agent within 48 hours following notification. Should a manager not contact the player agent for the purposes of keeping their team stronger (less players), the manager will be required to address the Board of Directors and will be suspended for three (3) games.

The player will be replaced by the following procedure:

- An available player list will be provided to the division Player Agent by the division managers within two weeks after the regular draft. The order of this list will be determined by the manager and will be for his/her team only. A minimum of 5 names must be provided.
- This list will be maintained by the player agent and used to replace players.
- Any player requesting to remain in a lower Division during the spring player selection process (e.g. 11-year-old specifying "AAA Only"), will be ineligible to become a replacement player for that Division during the season.
- Per LL rules, a player who did not attend tryouts is ineligible to be called up to the Major division.
- If a replacement player is needed for that division, the player agent will contact the player on the top of the list. If the player accepts, they will be placed on that team. If they refuse they will be removed from the list and not be eligible for selection to that division for the remainder of the year. The next player on the list will then be contacted. The process shall continue until the replacement player is found.
- A team may modify their list at any time during the season by notifying the appropriate Player Agent for the division.
- Should a team need to replace a player, the Player Agent may offer the team a 48 hour period from the time of notification to make modifications to their list. If no contact is made with the Player Agent within the 48 hours the existing list will be used to replace players.

Rescheduled Games & Forfeits

Team managers must notify their respective Player Agent when they are not able to field a team. After investigating, the player agent will recommend rescheduling or to forfeiting of the game. Games recommended for forfeiture will be forwarded to the Board of Directors for approval.

Games that require rescheduling (as prescribed above or due to weather) will be played at the next open date at the direction of the division Player Agent and under the following conditions:

- Games are rescheduled in the order that they are postponed. For example, if Saturday games are canceled, the first game of the day is rescheduled first as prescribed below.
- Neither team is already scheduled to play on the rescheduled date (no doubleheaders for either team)
- Rescheduling the game will not result in either team scheduled to play games on 3 consecutive days.
- If the next available date includes a game already scheduled, the rescheduled game will be scheduled for a 5:00pm start, unless scheduled at a different time by the Board. The time limit for the first game is 2 hours, 30 minutes from the official start time. The originally scheduled game will be moved to a 7:30pm start or immediately following the rescheduled game.

- Exceptions to the above may be considered if all of the following conditions exist: 1) Only 2 or fewer games are requiring to be rescheduled, 2) Rescheduling would require 4 or more games be played in a week for either team, and 3) there is no rain forecast in the extended (10 day) weather forecast.
- After all other rescheduling options have been exhausted, a makeup game may be rescheduled on a Sunday.
- Practices may be rescheduled on a Sunday due to inclement weather during the regular season.
